period for submission of the supplement generally not to exceed 15 days.

(b)(1) An authorized representative of the State agency or agencies designated under section 18(c)(1) to administer the plan shall submit the supplement with 6 copies to the appropriate Regional Administrator. The supplement shall contain the change with related documentation on the impact of the change on the State plan.

(2) The State may also show cause why a supplement should not be required on the grounds that it does not impact on the effectiveness of the State program and that additional Federal funding is not required. The procedures in this subpart would be applicable thereto.

(c) Upon receipt of the supplement, the Regional Administrator shall make a preliminary review of the changes. If his examination reveals any defect in the supplement, the Regional Administrator shall offer assistance to the State and shall provide the agency an opportunity, generally not to exceed 30 days, to cure such defect. After the preliminary review and after affording the State such opportunity to cure defects, the Regional Administrator, except as provided in §1953.4 for review of standards supplements, shall promptly submit the supplement to the Assistant Secretary.

(d)(1) Upon receipt of the supplement from the Regional Administrator, the Assistant Secretary shall examine the change and supporting material. If examination discloses no cause for rejecting the change, the procedures provided in §§1902.11 and 1902.12 of this chapter for public comment and approval of State plans shall be followed.

(2) If examination discloses cause for rejecting the change, the Assistant Secretary shall provide the State a reasonable time, generally not to exceed 30 days, to submit to the Regional Administrator for review and submission to the Assistant Secretary a revised supplement, or to show cause why a proceeding should not be commenced either for rejection of the change or for failure to submit the change, in accordance with the procedures in §1902.17 of this chapter on rejection of state plans.

(e) The Assistant Secretary shall review the supplement in the context of

(b) A request for an advisory opinion ordinarily will be considered inappropriate when extensive investigation or evaluation would be necessary. A requesting State will be informed if the same or substantially similar course of action is under review for an advisory opinion in another State or if it has been the subject of a current evaluation, approval, or disapproval proceeding by the Assistant Secretary.

§ 1953.51 Submission and consideration.

(a) The request for advice should be submitted in writing to the Regional Administrator in whose Region the State is located and should include full and complete information regarding the proposed course of action. Conferences with members of the Regional and National office staff may be held before and after submittal of the request and submission of additional information may be required.
